

Is your enterprise ready for AI?

A 5-minute readiness assessment.

Rate your organization from 1 (Not Started) to 5 (Leading Practice) for each statement.

IMPLEMENTATION DIMENSIONS	KEY QUESTIONS	YOUR RATING (1-5)
 1. AI Can the AI itself operate reliably at enterprise scale?	1. Can your AI solution evolve without redesigning the entire system?	1 2 3 4 5
	2. Are business rules separated from AI reasoning?	1 2 3 4 5
	3. Can humans easily review and override AI decisions?	1 2 3 4 5
 2. DATA Can AI trust and understand your enterprise data?	4. Can AI trust the quality and freshness of your enterprise data?	1 2 3 4 5
	5. Does AI understand relationships across customers, products, policies and operations?	1 2 3 4 5
	6. Is structured and unstructured information connected?	1 2 3 4 5
 3. ENTERPRISE KNOWLEDGE Does your enterprise capture, connect and activate knowledge?	7. Do you have a shared, searchable representation of institutional knowledge?	1 2 3 4 5
	8. Can AI understand why decisions were made, not just what happened?	1 2 3 4 5
	9. Does organizational knowledge survive employee turnover and reorganizations?	1 2 3 4 5
 4. INFRASTRUCTURE Can your technology foundation support AI at scale?	10. Can your architecture support AI at enterprise scale?	1 2 3 4 5
	11. Is AI performance monitored continuously?	1 2 3 4 5
	12. Can your platform grow without major redesign?	1 2 3 4 5
 5. GOVERNANCE Is AI governed, secure and compliant?	13. Are AI decisions explainable and auditable?	1 2 3 4 5
	14. Can governance rules evolve without rewriting applications?	1 2 3 4 5
	15. Are security and compliance built into the architecture?	1 2 3 4 5
 6. CONTINUITY Can your AI adapt and endure change?	16. Can your AI adapt as your business changes?	1 2 3 4 5
	17. Do you monitor knowledge, model and data drift?	1 2 3 4 5
	18. Can your AI implementation survive acquisitions, reorganizations and new business models?	1 2 3 4 5

HOW TO SCORE

1 = Not Started 4 = Advanced
 2 = Early 5 = Leading Practice
 3 = Developing

WHAT'S YOUR BIGGEST OPPORTUNITY?
